

Curriculum Vitae

Becky Mansfield

ADDRESS

Department of Geography
1036 Derby Hall, 154 North Oval Mall
Columbus, OH 43210
mansfield.32@osu.edu

EDUCATION

PhD 2001	Geography, University of Oregon
MS 1996	Environmental Studies, University of Oregon
BA 1991	Environmental Studies, Honors, University of California, Santa Cruz

PROFESSIONAL EMPLOYMENT

2013-	Professor, Geography, Ohio State University, Columbus
2017	Joan N. Huber Faculty Fellow, Ohio State University
2007-2013	Associate Professor, Geography, Ohio State University, Columbus
2001-2007	Assistant Professor, Geography, Ohio State University, Columbus
1996-1999	Graduate Teaching Fellow, Geography, University of Oregon, Eugene
1996	Graduate Teaching Fellow, Oregon Institute of Marine Biology, University of Oregon, Charleston
1994-1996	Graduate Teaching Fellow, Environmental Studies, University of Oregon, Eugene

OSU Affiliations

STEAM Factory (since 2024)
Sustainability Institute (since 2018)
Institute for Population Research (since 2010)
Women's, Gender, and Sexuality Studies Department (since 2009)
Cultures of Science and Technology Working Group (2016-2020)

PUBLICATIONS

Edited Book

2008 Mansfield B (Editor). *Privatization: Property and the Remaking of Nature-Society Relations*.
London: Blackwell.

Peer-Reviewed Articles

- 2026 Rawson, A, B Mansfield, C Cid, A Kulesza, M Miriti. Overlooked pathways into Ecology and implications for representation, identity, and retention: a focus group analysis. *Ecosphere* 17: e70625. DOI: 10.1002/ecs2.70625 (Open Access)
- 2025 Underhill, V, G Allison, B Mansfield. Deregulatory disclosure regimes and masked absences in fracking chemical data. *Science, Technology, & Human Values*. DOI: <https://doi.org/10.1177/01622439251384398> (Open Access)
- 2024 Conroy, MM, B Mansfield, E Irwin, G Jaquet, G Hitzhusen, J Brooks. Six Dimensions of Sustainability: A Framework for Organizing Diverse University Sustainability Curricula at The Ohio State University. *International Journal of Sustainability in Higher Education*. DOI: 10.1108/IJSHE-08-2023-0344 (Open Access)
- 2023 Mansfield B, Werner M, Berndt C, Shattuck A, Galt R, Williams B, Argüelles L, Barri FR, Ishii M, Kunin J, Lapegna P, Romero A, Caicedo A, Abhigya,* Castro-Vargas MS, Marquez E, Ojeda D, Ramirez, F, and Tittor A. A new critical social science research agenda on pesticides. *Agriculture and Human Values*. DOI: 10.1007/s10460-023-10492-w (Open Access)

Manuscripts in review or revision

- Mansfield, B. Hazards Unknown: the unavailable archive of “inert” chemicals. Proposal accepted for *Antennae: The Journal of Nature in Visual Culture* issue on Impossible Archives. Full essay and artwork submitted August 2026. (peer reviewed)
- Mansfield, B, M Werner, C Sears, A Shattuck. Is the pesticide treadmill broken? Explaining the global failure to ban glyphosate. Submitted to *Journal of Agrarian Change*, September 2026. (peer reviewed)
- Mansfield, B. Subterranean/Atmosphere. Artworks and artist’s statement submitted to *In/Visible Culture* issue on Thermal Aesthetics, September 2026. (peer reviewed)

Rabung, E, A Kulesza, A Rawson, B Mansfield. Addressing barriers to instructor use of culturally responsive teaching practices. In revision for *Science Education*. (peer reviewed)

AWARDS AND HONORS

2024	Distinguished Career Award, Cultural and Political Ecology Specialty Group of the American Association of Geographers
2017	Joan N. Huber Faculty Fellow, College of Arts and Sciences, OSU, for excellence in scholarship
2010	Distinguished Undergraduate Research Mentor, OSU, Undergraduate Research Office
2002	Best Dissertation, Economic Geography Specialty Group, American Association of Geographers
1998	Comprehensive exams passed <i>with distinction</i> , Geography, University of Oregon
1991	Undergraduate Honors, Environmental Studies, University of California, Santa Cruz
1987-1991	Regents Scholar, University of California

GRANTS AND FELLOWSHIPS

2023-2024	(Co-PI) OSU Student Academic Success Research Grant. "Engaging Students in Ecology through Culturally Responsive Pedagogy," \$25,000. With Maria Miriti (EEOB) and Amy Kulesza (Center for Life Science Education)
2020-2026	(Co-PI) National Science Foundation, Award #2018939, "RCN-UBE: The Undergraduate Network for Increasing Diversity of Ecologists (UNIDE)," \$499,432. PI: Maria Miriti, OSU.
2020-2023	(Co-PI) National Science Foundation, Award #2026088, "The Generic Herbicide Industry: A Global Production Network Analysis," \$263,817. PI: Marion Werner, University at Buffalo.
2010-2015	(Co-PI) National Science Foundation, Dynamics of Coupled Natural-Human Systems, Award #1010314, "Explaining socioecological resilience following collapse: forest recovery in Appalachian Ohio," \$1,246,612. PI: Darla Munroe.
2010-2011	International Poverty Solutions Collaborative, OSU, Seed Grant, "Reducing Inequality In Appalachian Ohio: The Potential of a "Social-Contextual" Approach." \$60,000. PI: Becky Mansfield, Co-PIs: L. Lobao, K. McSweeney, M. Partridge, M.E. Wewers
2010-2011	(Co-PI) International Poverty Solutions Collaborative, OSU, Seed Grant, "Re-visioning WP: engaged physical design to enrich Weinland Park," \$49,322. PI: Kay Bea Jones
2010	SBS International Travel Grant, OSU, for travel to professional meeting, \$1500.

2009-2011	National Science Foundation, Geography and Regional Science, "Doctoral dissertation research: Human Territoriality in Conservation Conflicts: Territorial Tactics of Marine Reserves in the Bahamas." \$12,000. PhD advisee: Fletcher Chmara-Huff
2008-2010	National Science Foundation, Geography and Regional Science, "Doctoral dissertation research: European accession and conservation of wheat diversity in neoliberal Turkey." \$12,000. PhD advisee: Nurcan Atalan-Helicke
2006-2008	National Science Foundation, Geography and Regional Science, "Doctoral dissertation research: Governance of Antarctic bioprospecting: scientific contribution to the geopolitics of property and territory." \$12,000. PhD advisee: Jason Davis
2002	College of Social and Behavioral Sciences, OSU, Seed Grant, "Regional restructuring through environmental regulation: a comparative study of the Pacific fisheries of the United States and Thailand," \$15,413
2000	Summer Research Fellowship, Geography, University of Oregon
1999-2000	Resources for the Future, Joseph L. Fisher Dissertation Fellowship, \$12,000
1999-2000	Oregon University System, International Trade and Development Graduate Fellowship (Sasakawa Young Leaders Fellowship Fund Program), \$12,000
1997-2000	Graduate Student Research Award (awarded annually), for travel to professional meetings, University of Oregon

PRESENTATIONS

Invited colloquia and keynotes

2026	Department colloquium, Department of Geography, Ohio State University. Chemical geographies: in/discrete and un/controllable
2025	Plenary speaker, Cultural and Political Ecology Special Group, "Chemical geographies: in/discrete and un/controllable" Association of American Geographers annual meeting, Detroit.
2021	Social Dimensions of Biomedicine Program, University of Edinburgh. Research Pathways: Consistency and Change Across a Career.
2021	Taaffe Lecture, Department of Geography, Ohio State University. Deregulatory Science: Chemical Risk Analysis in Trump's EPA.
2020	Think Tank: <i>Meaningful Worlds: Listening and Learning Beyond the Human</i> , Wesleyan University. Knowing chemicals in Trump's Environmental Protection Agency (virtual due to COVID-19).
2018	Symposium on <i>Humanities: Land Sea Space: Exploratory Forum</i> , Melbern G. Glasscock Center for Humanities Research, Texas A&M University. Keynote: Epigenetic life: at the intersection of postgenomics, Anthropocene, and deregulation.

- 2018 Department of Geography, Rutgers University. Chemical exposure: at the intersection of postgenomics, Anthropocene, and Trump's deregulatory EPA.
- 2018 Department of Global & Sociocultural Studies, Florida International University. Chemical exposure: at the intersection of postgenomics, Anthropocene, and Trump's deregulatory EPA.
- 2017 Department of Geography, University at Buffalo. Chemical exposure: at the intersection of postgenomics, Anthropocene, and Trump's deregulatory EPA.
- 2017 Symposium on *The Biopolitics of Epigenetics*, Biopolitics of Science Research Network, University of Sydney, Australia. Epigenetic plasticity and stability: how the environmental turn reconfigures social-biological reproduction.
- 2017 John Glenn College of Public Affairs, OSU. Plasticity and postgenomics: social implications of the environmental turn in the life sciences.
- 2016 Harold & Florence Mayer Lecture, Department of Geography, University of Wisconsin-Milwaukee. Epigenetic life: reconfiguring biological and social reproduction.
- 2015 AAG Opening Session: Presidential Plenary Address: Panel on Radical Intra-Disciplinarity (speaker on "Nature"). *American Association of Geographers* annual meeting, Chicago, IL. With Martin Doyle.
- 2015 Department of Geography, Penn State University, University Park. Epigenetic life: non-dualist geographies of body-environment relationships.
- 2014 Department of Geography, Clark University, Worcester, MA. Epigenetic life: new geographies of body-environment relationships.
- 2014 Department of Geography, Memorial University of Newfoundland, St. John's, Newfoundland, Canada. Epigenetic environmental health: managing exposure to mercury in seafood.
- 2014 Cultural Geographies Annual Lecture, *American Association of Geographers* annual meeting, Tampa, FL. Epigenetic life: biological plasticity, abnormality, and new configurations of race and gender.
- 2014 Department of Human Geography, Goethe University of Frankfurt, Frankfurt, Germany. Neoliberal biopolitics of environmental health: inequality and responsibility in governance of toxic exposures.
- 2014 Department of Geography, Dartmouth College, Hanover, New Hampshire. Epigenetic life: biological plasticity, abnormality, and new configurations of race and gender.
- 2014 Institute for Population Research, Ohio State University. Social implications of environmental epigenetics: gender and race in new approaches to environmental exposure.
- 2014 Department of Geography, Ohio State University. The new epigenetic biopolitics of environmental health.
- 2012 Department of Geography, University of Washington, Seattle. Race, gender, and the new epigenetic biopolitics of environmental health.

- 2012 Berkeley Workshop on Environmental Politics, University of California, Berkeley. Epigenetic biopolitics: race, population, and environmental health.
- 2011 Department of Geography, University of California, Berkeley. Contaminated environments, biosecurity, and risk: making fetal life live.
- 2011 Brownbag lunch seminar, Kirwan Institute for the Study of Race and Ethnicity, OSU. Seafood choices: risk and the politics of environmental health.
- 2011 Brownbag lunch seminar, International Poverty Solutions Collaborative, OSU. With K McSweeney (joint presentation). Socioecological change in Appalachian Ohio: how rural residents help bring back forests.
- 2011 Institute of Environmental Studies, Bogazici University, Istanbul, Turkey. With N Atalan-Helicke (presenter). Seed governance at the intersection of multiple global and nation-state priorities: modernizing seeds in Turkey.
- 2010 Department of Geography, Indiana University. Farmed fish and the politics of un/healthy nature.
- 2009 Department of Geography, Ohio University. Farmed fish and the politics of un/healthy nature.
- 2008 Department of Environmental Studies, University of California, Santa Cruz. Don't eat that fish! Contaminated food at the intersection of environmental health and reproductive politics.
- 2008 Department of Geography, University of Illinois, Urbana-Champaign. The surprises of property: remaking nature-society relations through privatization.
- 2008 Department of Geography, University of California, Los Angeles. The surprises of property: remaking nature-society relations through privatization.
- 2008 Department of Geography, University of Kentucky. The surprises of property: remaking nature-society relations through privatization.
- 2007 Duke University Marine Lab, Beaufort, NC. Assessing assumptions of market-based environmental policy using evidence from North Pacific fisheries.
- 2007 Department of Geography, University of Wisconsin-Madison. Privatization of nature: property, markets, and dispossession.
- 2005 Department of Geography, University of Georgia, Athens, GA. An empirical assessment of market-based environmental policy: evidence from North Pacific fisheries.
- 2005 Department of Geography, Geology, and Anthropology, Indiana State University, Terre Haute, Indiana. Neoliberal regulation: state, environment, and economy in the North Pacific fishery.
- 2004 Department of Geography, Rutgers University, New Brunswick, New Jersey. Neoliberal regulation: state, environment, and economy in the North Pacific fishery.
- 2002 Department of Geography, Penn State University, University Park. Globalization and the contradictions of neoliberalism: fishing for environmental governance in the North Pacific Ocean.

Invited participation at specialist workshops

- 2026 *Food, Technology, and Democracy*, Panel 6 of the 2026 Conversations on Morality, Politics, and Society (COMPAS) on Food, Center for Ethics and Human Values, OSU. Panel presentation: MAHA and Pesticides
- 2025 *The Global Pesticide Complex: New research directions in a multipolar world*, University of Zurich, Switzerland
- 2025 *Reproductive Justice*, OSU. Presentation: Reproductive, environmental, and climate justice
- 2023 *KOI Political Ecology Workshop*, fourth annual meeting. Indiana University, Bloomington.
- 2021 *Global Glyphosate: New Challenges in Regulating Pervasive Chemicals in the Anthropocene*, University at Buffalo.
- 2019 *KOI Political Ecology Workshop*, third annual meeting. Indiana University, Bloomington.
- 2019 *STS@OSU*, two-day workshop, Ohio State University.
- 2017 *IPRH-Mellon BioHumanities Symposium: Experiments in Thinking the Human*, two-day workshop, University of Illinois, Champaign-Urbana.
- 2017 *KOI Political Ecology Workshop*, second annual meeting. University of Kentucky, Lexington.
- 2013 *Sawyer Seminar: Food Choice from Research to Policy*, two-day workshop, Indiana University, Bloomington.
- 2013 *Feminist Geography Workshop*, two-day workshop, University of Guelph, Ontario, Canada
- 2012 *Sawyer Seminar on Biopolitics* (theme: State of Nature), one-day workshop, University of Wisconsin, Madison.
- 2012 *Summer Institute in Economic Geography*, Featured faculty at a week-long workshop for early-career researchers in economic geography held in Zurich, Switzerland. Keynote title: A new environmental economic geography: thinking through the biopolitical economy of nature
- 2012 *Sawyer Seminar on Neoliberal Regimes and Institutions of Knowledge Production*, two-day workshop, Indiana University. Presentation title: Liberal biopolitics of environmental health: contamination, risk, and race at the EPA.
- 2011 *Studies of Food and the Body*, University of California Multicampus Research Program, one-day Works-in-Progress meeting. Featured Scholar; Paper title: Environmental health as biosecurity: "seafood choices," risk, and the pregnant woman as threshold.
- 2010 *Workshop on Emerging Themes in Economic Geography*, two-day workshop, Washington, DC.
- 2007 *Critical Fetishism*, two-day workshop, Amherst College. Presentation title: Is fish wholesome or dangerous? Using commodity analysis to understand the production of un/healthy nature.

- 2001 *International Perspectives on Alternative Agro-Food Networks: Quality, Embeddedness, and Bio-Politics*, two-day workshop, University of California, Santa Cruz. Presentation title: Fish, factory trawlers, and imitation crab: the nature of quality in the seafood industry.
- 1999 *Multilateral Ocean Governance and the Globalization of Marine Resources: Marine Environmental Politics in the 21st Century*, two-day workshop, University of California, Berkeley. Presentation title: Fisheries development or open access? Creating large-scale fishing on the US west coast.

Papers at professional meetings

- 2023 Mansfield B, Werner M, Berndt C, Shattuck A, et al. A new social science research agenda on pesticides. *Deutschen Kongress für Geographie* (DKG), Frankfurt, Germany (C. Berndt presenter)
- 2021 Geographies of glyphosate (i.e., Roundup) regulation in the wake of international regulatory failure. *American Association of Geographers* annual meeting, Online.
- 2020 Deregulatory science in the Trump EPA. *Dimensions of Political Ecology*, Lexington, KY.
- 2019 When Data Justice and Environmental Justice Meet: Responding to Extractive Logic through Environmental Data Justice. L Vera (presenter). *American Sociological Association*, New York, NY. D Walker, M Murphy, B Mansfield, LM Siad.
- 2018 From the Anthropocene to postgenomics. *American Association of Geographers* annual meeting, New Orleans, LA.
- 2017 Epigenetic plasticity and permeability: shifting temporality and new thresholds of fetal life. *Society for Social Studies of Science* (45), Boston, MA.
- 2015 Epigenetic abnormality: biological plasticity and new configurations of race. *International Society for the History, Philosophy and Social Studies of Biology*, Montreal, Quebec, Canada.
- 2013 Abnormality, race, and the new epigenetic biopolitics of environmental health. *American Association of Geographers* annual meeting, Los Angeles, CA.
- 2013 Abnormality, race, and the new epigenetic biopolitics of environmental health. *Dimensions of Political Ecology: Conference on Nature/Society*, University of Kentucky, Lexington.
- 2011 Risk, pregnant women, and environmental health: gendered regimes of biosecurity. *Society for Social Studies of Science* annual meeting, Cleveland, OH.
- 2011 Environmental health as biosecurity: “seafood choices,” risk, and the pregnant woman as threshold. *Gender and States of Emergency*. Ohio State University.
- 2011 Contaminated environments, biosecurity, and risk: making fetal life live. *American Association of Geographers* annual meeting, Seattle, WA.
- 2010 “Seafood choices,” risk, and environmental health: securing the pregnant woman. *Health: A New Religious Awakening in Western Societies?* Copenhagen, Denmark.

- 2010 Neoliberal biopolitics of environmental health: producing and crossing borders between “the environment” and “ourselves.” *American Association of Geographers* annual meeting, Washington, DC.
- 2010 Environment-economy relationships in the forests of Appalachian Ohio. *American Association of Geographers* annual meeting, Washington, DC. With DK Munroe (presenter), K McSweeney, and D Liu.
- 2009 Protecting fetuses/controlling women: environmental health meets reproductive politics in seafood consumption. *American Association of Geographers* annual meeting, Las Vegas, NV.
- 2009 Environment-economy connections as posited through Forest Transition Theory. *International Human Dimensions Programme on Global Environmental Change*, Bonn, Germany. With D Munroe (presenter).
- 2008 Toward a political ecology of the body? *American Association of Geographers* annual meeting, Boston, MA. With J Guthman (joint presentation).
- 2007 Fish is health food/fish is poison: farmed fish and the material production of health/disease. *Conference on Critical Geography*, Lexington, KY.
- 2007 The social nature of natural childbirth. *American Association of Geographers* annual meeting, San Francisco, CA.
- 2006 Paradoxes of property and citizenship in the Western Alaska Community Development Quota. *American Association of Geographers* annual meeting, Chicago, IL.
- 2005 Understanding privatization: geographies of public and private in the constitution of property. *American Association of Geographers* annual meeting, Denver, CO.
- 2004 The role of national environmental regulation in the neoliberal era. *American Association of Geographers* annual meeting, Philadelphia, PA.
- 2003 Steller sea lion controversies: relations among science, regulation, and the fishing industry. *American Association of Geographers* annual meeting, New Orleans, LA.
- 2002 Enclosure of the oceans and contradictions of neoliberalism. *Annual Miniconference on Critical Geography*, Lexington, KY.
- 2002 Neoliberalism as re-regulation, regulation as neoliberalism: US fishery policy in the North Pacific. *American Association of Geographers* annual meeting, Los Angeles, CA.
- 2001 A geography of quality: socio-natural assemblages that influence the spatial organization of commodity chains. *American Association of Geographers* annual meeting, New York, NY.
- 2000 Linking economic and cultural processes of globalization: development of the global *surimi* seafood industry. *Global Conference on Economic Geography*, National University of Singapore, Singapore.
- 2000 Surimi, the simulation seafood: selling a generic product as a specialized food. *American Association of Geographers* annual meeting, Pittsburgh, PA.

- 1999 Globalization, state regulation, and regional specificity in the North Pacific. *American Association of Geographers* annual meeting, Honolulu, HI.
- 1999 Globalization, state regulation, and regional specificity in the North Pacific. *Western Geography Graduate Student Conference*, Seattle, WA.
- 1998 The social construction of marine space: the Pacific groundfish fishery. *American Association of Geographers* annual meeting, Boston, MA.
- 1997 The Oregon groundfish fishery: conceptualizing problems in resource use. *American Association of Geographers* annual meeting, Fort Worth, TX.
- 1997 The construction of the coastal Pacific as a symbolic and physical place: the case of the Pacific groundfish fishery. *Association of Pacific Coast Geographers* annual meeting, Spokane, WA.

Other presentations at professional meetings

- 2025 Organizer and panelist, "Chemical regimes and uneven geographies 2: Pesticide Research Network Creative Project" *American Association of Geographers* annual meeting, Detroit MI
- 2025 Panelist for "Shaping the fields: A retrospective/prospective on the career of Julie Guthman" *American Association of Geographers* annual meeting, Detroit, MI
- 2024 Discussant for "Plantations past and present: pesticide legacies and afterlives" *American Association of Geographers* annual meeting, Honolulu, HI
- 2022 Poster, "Engaging faculty and students in developing inclusive ecology pedagogy for increasing diversity of ecologists (RCN-UNIDE)", *Ecological Society of America*, Montreal, Canada. With Carmen Cid, Maria Miriti, Zakiya Leggett, Natasha Woods, Gillian Bowser, Caroline Breitenberger, Jamie Gillespie, Marcela Hernandez, Valerie Johnson, and Amy Kulesza.
- 2019 Panelist for plenary panel on "Activist Environmental History in the Age of Trump" *American Society for Environmental History*, Columbus, OH.
- 2019 Panelist for "Author Meets Critics: Juno Parrenas' Decolonizing Extinction" *American Association of Geographers* annual meeting, Washington, DC.
- 2019 Panelist for "Author Meets Critics: Jesse Goldstein's Planetary Improvement" *American Association of Geographers* annual meeting, Washington, DC.
- 2019 Discussant for "Bodily Ecologies, DIY Medicine, and the Construction of New Health Knowledges" *American Association of Geographers* annual meeting, Washington, DC.
- 2019 Discussant for "Cities Exposed: Exposure and Contamination in Dense Urban Worlds" *American Association of Geographers* annual meeting, Washington, DC.
- 2019 Panelist for "Sexual harassment and discrimination in academia" *Dimensions of Political Ecology*, 9th annual meeting, Lexington, KY.

- 2018 Panelist for "Bodies, environments, subjectivities: new directions in health-environment geographies" *American Association of Geographers* annual meeting, New Orleans, LA.
- 2018 Discussant for "Author Meets Critics Handbook of Critical Physical Geography" *American Association of Geographers* annual meeting, New Orleans, LA.
- 2018 Discussant for "Questioning expertise," *Questioning Science in Uncertain Times: A Workshop*, Ohio State University.
- 2016 Panelist for "PQN: Social reproduction – Precarious? Natural? Queer?" *American Association of Geographers* annual meeting, San Francisco, CA.
- 2016 Panelist for "Chemical geographies: science, politics, and materiality," *American Association of Geographers* annual meeting, San Francisco, CA.
- 2016 Panelist for "The Art of Grant Proposal Writing: Supporting Women in Geography across the Sub-disciplines, 4th Annual Panel" *American Association of Geographers* annual meeting, San Francisco, CA.
- 2015 Panelist for "Authors-meet-critics double bill: Irus Braverman's Wild Life: The Institution of Nature & Jamie Lorimer's Wildlife in the Anthropocene," *American Association of Geographers* annual meeting, Chicago, IL.
- 2014 Panelist for "Five panelists and the author discuss Jenna Loyd's Health Rights are Civil Rights," *American Association of Geographers* annual meeting, Tampa, FL.
- 2013 Discussant for "The socio-ecological fix," *American Association of Geographers* annual meeting, Los Angeles, CA.
- 2013 Discussant for "Feminist engagements with health, capitalism, and the body," *American Association of Geographers* annual meeting, Los Angeles, CA.
- 2013 Panelist for "Political ecology: pasts, presents, futures," Featured panel at *Dimensions of Political Ecology: Conference on Nature/Society*, University of Kentucky, Lexington.
- 2011 Panelist for "A new era of capitalism? Responses to Harvey's 2010 Roepke lecture," *American Association of Geographers* annual meeting, Seattle, WA.
- 2011 Discussant for "The blue frontier: linking projects, processes, and politics in oceans governance III," *American Association of Geographers* annual meeting, Seattle, WA.
- 2010 Discussant for "Political Ecologies of Bodies," *American Association of Geographers* annual meeting, Washington, DC.
- 2010 Panelist for "Science, technology, and geography," *Conference on Critical Geography*, Milwaukee, WI.
- 2008 Panelist for "Author meets the critics: Paul Robbins' Lawn People," *American Association of Geographers* annual meeting, Boston, MA.

- 2008 Discussant for “Producing neoliberal environments: the role of geotechnologies in contemporary enclosures and resistance,” *American Association of Geographers* annual meeting, Boston, MA.
- 2006 Panelist for “Neoliberalism, Nature, and Governance,” *American Association of Geographers* annual meeting, Chicago, IL.
- 2005 Panelist for “Labors of Love: Gender, Parenting and Work in Academia and Beyond,” *American Association of Geographers* annual meeting, Denver, CO.
- 2003 Panelist for “Standard Fare: Governance, Food Systems, and Power,” *American Association of Geographers* annual meeting, New Orleans, LA.
- 2001 Panelist for “After Globalization,” *Cincinnati Miniconference on Critical Geography*, East Lakes Division of the *American Association of Geographers* annual meeting, Cincinnati, OH.

COURSES

Ohio State University

- Geog 2400 Economic and Social Geography (AU 2020)
- Geog 2800 Our Global Environment (SP 2022)
- Geog 3751 Geography of Ohio (field course, co-instructor) (May 2013, 2014)
- Geog 3800 Environment and Society (~annually since 2012)
- Geog 3801 Political Ecology (annually since 2021)
- Geog 5802 Globalization and Environment (annually 2013-2017)
- Geog 7101 Research Design (annually 2013-2017, 2019, 2024-2026)
- Geog 8100 Geographic Thought (SP 2018)
- Geog 8109 Professionalization (AU 2018)
- Geog 8400 Seminar in Critical Human Geography: Writing in Critical Human and Human-Environment Geography (SP 2015, 2021)
- Geog 8800 Seminar in Environment and Society: Political Ecology (AU 2012)
- Geog 430 Environment and Society (annually 2004-2010)
- Geog 460 Political Geography (AU 2001, 2002)
- Geog H460 Honors Political Geography (WI 2005, 2006)
- Geog 630 Conservation of Natural Resources (WI 2002)
- Geog 635 Globalization and Environment (annually 2003-2011)
- Geog 689 Internship (year-round 2007-2011)
- Geog 795 Research Design (annually 2007-2011)
- Geog 840 Graduate seminar: The Production of Nature: Perspectives on Economy and Environment (WI 2002)
- Geog 840 Graduate seminar: Governance, Regulation, and the State-Economy Relationship (WI 2003)
- Geog 840 Graduate seminar: Qualitative Research Methods (WI 2004)
- Geog 840 Graduate seminar: Privatization, Property, and Markets (AU 2004)

- Geog 840 Graduate seminar: Current Readings in Nature-Society Relations (AU 2005)
 Geog 840 Graduate seminar: Neoliberalism (AU 2007)

University of Oregon

Instructor

- Geog 461/561 Environmental Alteration (AU 1997,1998)
 Geog 462/562 Historical and Contemporary Views of the Environment (SU 1997)
 Envs 411 Marine Environmental Issues (AU 1995)

Teaching assistant

- Envs 410/510 Political Ecology
 Geog 410/510 Environment and Development
 Geog 104 Geography and the Environment
 Geog 410/510 Geography of the World Economy
 Geog 103 Cultural Geography
 Geog 204 Geography of Europe
 Bio 408/508 Marine Birds and Mammals
 Bio 309 Marine Biology
 Pol Sci 235 Crisis in Central America

University of California, Santa Cruz

- ES 42 Experience and Environmental Perceptions (Designed and taught course, SP 1991)

GUEST LECTURES

- 2025 SU and AU semesters. Tangled webs of nature and society, *Economic and Social Geography (GEOG 2400)*, OSU
 2023 Developing archives as method in science studies, *Graduate Methods in Science and Technology Studies*, Cornell University
 2019 Epigenetics, environmental health, and health disparities, *Medical Sociology (Soc 3630)*, OSU
 2012 Autoethnography, *Field Methods in Human Geography: New Questions/Hybrid Approaches (Geog 800.01)*, OSU
 2006 University resources, *Professional Development in Geography (Geog 889)*, OSU
 2005 University resources, *Professional Development in Geography (Geog 889)*, OSU
 2005 Research using official and unofficial sources, *Undergraduate Seminar in Applied Geography (Geog 695)*, OSU
 2003 Geographers' perspectives on globalization, *Graduate Seminar on Political Sociology*, Sociology, OSU

TEACHING AND ADVISING PROFESSIONAL DEVELOPMENT

2026-2027 OSU College of Arts and Sciences Career Success Grant (Beyond the Classroom), \$4500
 2025-2026 Imagined Futures Career Allies Academy, participant

STUDENT COMMITTEES

Advisor

PhD Current

Kat Finneran (2022-present, Candidacy 2024)
 Brandon Rothrock (2023-present, Candidacy 2025)
 Emily Tingler (2024-present)

PhD Completed

Ariel Rawson (PhD 2021, Candidacy 2018): *Black fungibility and the PosthuMan: Becoming microbial geographies*

Chris Hartmann (PhD 2016, Candidacy 2014): *Public Health, Environment, and Development in Nicaragua and Latin America: A Post/Neoliberal Perspective*

Young Rae Choi (PhD 2015, Candidacy 2013): *Social Coasts: Green Growth, Transformation of Coastal Space, and Sea Governance of East Asia*

Sayoni Bose (PhD 2015, Candidacy 2013): *The Messy Politics of Land Acquisition in West Bengal*

Christine Biermann (PhD 2014, Candidacy 2011): *A Strangely Familiar Forest: Conservation Biopolitics and the Restoration of the American Chestnut*

Nurcan Atalan-Helicke (PhD 2011, Candidacy 2007): *The Seeds of Change: The State, the Politics of Development and Conservation in Neoliberal Turkey*

Fletcher Chmara-Huff (PhD 2011, Candidacy 2009): *Marine Protected Areas and the Territorialization of the Oceans in the Exhumas, Bahamas*

Jason Davis (PhD 2011, Candidacy 2006): *Reconsidering Antarctic Bioprospecting through Territorialities of Science, Property, and Governance*

April Luginbuhl Mather (PhD 2010, Candidacy 2005): *The Role of Additionality in Shaping Actions within Environmental Service Markets: The Case of Voluntary Greenhouse Gas Markets and Soil-Based Carbon Offset Credits Using Agricultural Best Management Practices*

Johanna Haas (PhD 2008, Candidacy 2004): *Law and Property in the Mountains: A Political Economy of Resource Land in the Appalachian Coalfields*

MA Current

Aeri Torrento (2025-present)

MA Completed

Anurag Mazumdar (MA 2018): *Unravelling the paradox of the 'sharing economy' in three acts: Decoding the ride-hailing taxis in India*

Ariel Rawson (MA 2015): *Earth Jurisprudence: Making Nature a Subject through Law*

Mollie-Marie Workman (MA 2011): *The Implications of Good Food: Urban Entrepreneurialism, Creative Class Development and the Creation of an Urban Amenity in Columbus, Ohio*

Emily Rupp (MA 2008): *Embodying Malaria: Replacing the Body, Environment, and Culture in Northern Ghana's Malaria Definitions*

Jason Davis (MA 2004): *Grappling with the Pirates of the Antarctic: How Statist and Non-Statist Approaches Address an Antarctic Governance Problem*

BA Research Completed

Laurel Bayless (BA 2021)

Matthew Schneider (BA 2018)

Kyle Hutson (BA 2011)

Hudson McFann (BA 2010)

Wilson Dizard (BA International Studies 2009)

Mary McLaughlin (BA 2006)

BA Personalized Study Plans (independent majors)

Ko Rupert (BA 2022)

Angela Bekesz (BA 2022)

Mara Moss (BA 2015)

Committee Member

PhD Current

Joey Jaros (EEOB), Paromita Bathija

PhD Completed

Rebekah Kartal (UBC, 2026), Chelsea Hunter (Anthropology, 2024), Rebecca Chapman (2023), Sohyun Park (2021), Ashley Toenjes (2020), Deondre Smiles (2020), Julianne Collard (UBC 2020), Sam Kay (2020), Debangana Bose (2019), Nora Sylvander (2019), Chelsea Leiper (U Delaware, 2018), Brian Williams (UGA, 2018), Yuxi Zhao (2016), Zoe Pearson (2015), Justine Law (2014), Caleb Gallemore (2013), Seung-Ook Lee (2013), Kevin Grove (2011), Christy Rogers (2011), Theresa Wong (2010), David Lansing (2009), Jill Clark (2009), Trevor Birkenholtz (2006), Adam Diamond (*Rutgers, Geography*, 2006)

<u>Candidacy Current</u>	Seiba Issifu, Keigan Carpenter
<u>Candidacy Completed</u>	Joey Jaros (EEOB, 2025), Paromita Bathija (2024), Rebecca Chapman (2022), Katie Krupala (2021), Rebekah Kartal (UBC, 2021), Chelsea Hunter (Anthropology, 2021), Sohyun Park (2019), Ashley Toenjes (2018), Deondre Smiles (2018), Sam Kay (2017), Nora Sylvander (2016), Debangana Bose (2016), Julianne Collard (2015, <i>University of British Columbia, Geography</i>), Brian Williams (2015, <i>University of Georgia, Geography</i>), Yuxi Zhao (2014), Zoe Pearson (2013), Justine Law (2012), Caleb Gallemore (2011), Robert Klein (2011), Seung-Ook Lee (2010), Phil Birnie (2009), Chris Riley (2009), Anurupa Roy (2009), Christy Rogers (2008), Jennifer Black (<i>Comparative Studies</i> , 2008)), Kevin Grove (2008), Jill Clark (2007), David Lansing (2007), Theresa Wong (2007), Hyejin Yoon (2006), Teresa Hutchinson (2005), Trevor Birkenholtz (2004), Sherrylyn Henry (2001)
<u>MA Completed</u>	Zack Paganini (2017), Emelie Bailey (2016), Richard Bargielski (<i>Anthropology</i> , 2016), Natasha Sadoff (2015), Sam Kay (2014), Naomi Adaniya (2013), Brian Williams (2013), Kelly George (2011), Heeyoun You (2011), Christopher Hartmann (2010), Justine Law (2010), Zoe Pearson (2010), Jessica Barnes (2009), Sarah Wright (2009), Nicholas Crane (2008), Annie McCabe (2008), Lisa Fjeld (2007), Alexander Gjerovski (2007), Joseph Lewis (2006), Ligia Lundine (2006), David Lansing (2005), Michael Ewers (2005), Kevin Grove (2005), Gina Gerbasi (2004), Trevor Birkinholtz (2002), Andrew Hargreaves (2002), Teresa Hutchinson (2002), Manisha Mishra (Journalism, 2002)
<u>BA Research</u>	Inez O'Malley (SENR, 2025), Emma Maher (2025), Sophia Shannon (Political Science, 2024), Todd Ives (2015), Sara Santiago (2012), Jonathan Kuehnle (2011), Amanda Kass (2008)

DISCIPLINARY SERVICE

Editorial service

2021-present	Editor, Progress in Environmental Geography (including new journal launch)
2013-present	Advisory Board, Book Series: Critical Environments: Nature, Science, and Politics, University of California Press
2019-2024	Editorial Board, Professional Geographer
2006-2022	Editorial Board, Cultural Geographies
2011-2019	Editorial Board, Social and Cultural Geography
2015	Editor of Cultural Geographies Virtual Issue on "Health, Medicine, and the Permeable, Unbounded Body." http://cgi.sagepub.com/cgi/collection/health_medicine_body
2012-2015	Editorial Board, Annals of the American Association of Geographers (Nature and Society section, Bruce Braun editor)
2007-2011	Editorial Board, Annals of the American Association of Geographers (People, Place, and Region section, Audrey Kobayashi editor)

2006-2009 Editorial Board, Environment and Planning A
2007 Guest Editor, special double issue of Antipode "Privatization: Property and the Remaking of Nature-Society," 2007, 39(3)

Peer reviewer

Journals

ACME; Agriculture and Human Values; Annals of the American Association of Geographers; Antipode; Applied Geography; Area; BioSocieties; Body & Society; Canadian Geographer; Case Studies in the Environment; Conservation and Society; Cultural Geographies; Ecology and Society; Economic Geography; Environment and Planning A: Economy and Space; Environment and Planning C: Politics and Space; Environment and Planning D: Society and Space; Environment and Planning E: Nature and Space; Environmental Management; Environmental Politics; Environmental Science and Policy; Gender, Place and Culture; Geoforum; Geografiska Annaler: Human Geography; Geographical Analysis; The Geographical Journal; Geographical Review; Geography Compass; GeoJournal; Global Environmental Change; Global Environmental Politics; Human Ecology Review; Human Geography; International Journal of Sustainable Development; Journal of Political Ecology; Journal of Rural Studies; Marine Policy; New Zealand Geographer; Polar Geography; Political Geography; Professional Geographer; Progress in Human Geography; Review of International Political Economy; Science as Culture; Science, Technology, & Human Values; Space and Polity; Social and Cultural Geography; Social Problems; Social Science and Medicine; Transactions of the Institute of British Geographers; World Development

New journal proposals

Environment and Planning E: Nature and Space

Technical reports

California Council on Science & Technology

Grant and Fellowship Proposals

Alaska Sea Grant; Center for Engaged Scholarship; European Research Council; Maine Sea Grant; National Geographic Society; National Science Foundation (NSF programs: Geography and Spatial Science, Arctic Social Science, Developing Global Scientists and Engineers, Science and Society); Social Science and Humanities Research Council of Canada; Society of Women Geographers

Awards

AAG Health and Medical Geography Specialty Group Jacques May Thesis Prize

Promotion and Tenure cases

USA: American University; Colorado State University; Dartmouth College; Duke University; Hobart and William Smith Colleges; Indiana University; Loyola Marymount University; Rutgers University; Skidmore College; SUNY-New Paltz; Syracuse University; Temple University; University at Buffalo; University of California Los Angeles; University of California Santa Cruz, University of Colorado at Boulder; University of Delaware; University of Georgia; University of Kentucky; University of North Texas; University of Washington Bothell, University of Washington Seattle; University of Wisconsin-Madison.

International: Memorial University of Newfoundland; Technical University of Munich; University of Bristol; University of British Columbia; University of Edinburgh; University of Guelph

External Examiner for PhD

University of Tasmania

Offices and Committees

2025	External member and chair of the seven-year review team, Department of Geography at Ohio University
2020	Nominating Committee of the American Association of Geographers (elected)
2019	<i>Chair</i> , External Review team for the Department of Geography at Indiana University
2018	Judge, East Lakes Division of the AAG student paper competition
2009-2011	Board Member, Health and Medical Geography Specialty Group, AAG
2006-2009	Research Grants Committee, AAG
2006-2008	Board Member, Economic Geography Specialty Group, AAG
2006	Organizing committee, 2006 Critical Geography Mini-Conference, OSU, October 13-15
2005	Awards Committee, Geographic Perspectives on Women Specialty Group, AAG
2004-2006	Board Member, Geographic Perspectives on Women Specialty Group, AAG
2003-2004	Nominating Committee, Economic Geography Specialty Group, AAG

Organizer of Professional Meetings

2025	Sessions: "Chemical regimes and uneven geographies" 1 and 2 <i>American Association of Geographers</i> annual meeting, Detroit, MI (co-organizer)
2024	Workshop: Annual meeting of KOI Political Ecology Workshop for graduate students and faculty in Geography at University of Kentucky, Ohio State University, and Indiana University. Columbus, OH. Lead organizer, with Kendra McSweeney.
2021	Workshop: Global Glyphosate: New Challenges in Regulating Pervasive Chemicals in the Anthropocene. University at Buffalo, The Baldy Center for Law and Social Policy. November 11-12, 2021. https://www.buffalo.edu/baldycenter/events/conferences/global-glyphosate.html

- 2020 Sessions: "Reassessing Environmental Assessment: The Politics of "Normal" in Regulatory Science" *Dimensions of Political Ecology*, University of Kentucky, Lexington
- 2019 Session: "Author Meets Critics: Juno Parrenas' Decolonizing Extinction" *American Association of Geographers* annual meeting, Washington, DC (with Rebecca Lave)
- 2019 Session: "Sexual harassment in academia." *Dimensions of Political Ecology*, University of Kentucky, Lexington (with Rebecca Lave)
- 2018 Sessions: "From the Anthropocene to Postgenomics: New Configurations of Body-World." *American Association of Geographers* annual meeting, New Orleans, LA (with Maurizio Meloni and Ariel Rawson)
- 2017 Sessions: "Plasticity, Postgenomics, and the Politics of Possibility: Critical Reflections on the Environmental Turn in the Life Sciences." *Society for Social Studies of Science (4S)* annual meeting, Boston, MA (with Maurizio Meloni and Martine Lappé)
- 2016 Workshop: First Annual meeting of KOI Political Ecology Workshop. Discussion of works-in-progress for graduate students and faculty in Geography at University of Kentucky, Ohio State University, and Indiana University. Columbus, OH. Lead organizer, with Kendra McSweeney.
- 2014 Sessions: "Biodiversity and biopolitics: calculating and conserving genes, species, populations, nations, and races," *American Association of Geographers* annual meeting, Tampa, FL (with Christine Biermann, 2 sessions)
- 2013 Sessions: "Geographical perspectives on environmental epigenetics: transforming ideas of health and environment," *American Association of Geographers* annual meeting, Los Angeles, CA (with Julie Guthman)
